Administrative Regulation

Interdistrict Attendance Agreement

AR 5117.1

Students

The Superintendent may approve interdistrict agreements for the following reasons:

1. When child care needs of the student are met by a provider in the district (Education Code 46601.5)
2. When a parent's/guardian's place of employment is located within the district
3. To meet a child's special mental or physical health needs, as certified by a physician, school psychologist or other appropriate school personnel
4. To complete a school year when parents/guardians have moved out of the district during that year
5. To allow 7th and 8th grade students to continue for the final two years in the same school they have been attending
6. To allow students who have attended Jonata for at least four years to continue to attend
7. When there is a valid interest in a particular educational program not offered in the district of residency
8. When a parent/guardian of an applicant works for the school district

Denial of Interdistrict Transfer Agreement

Interdistrict permits may be denied or revoked when the Superintendent or designee determines any of the following:

1. A student's interdistrict transfer may be revoked because of excessive truancy, poor academic progress and lack of academic engagement, poor academic behavior and disruption to the educational program and falsification of residency documents, child care or work location verification.
2. Appropriate and sufficient space is unavailable in the existing class, school or district
3. The additional cost of educating the individual interdistrict permit student would exceed the amount of additional state aid that would be received as a result of the individual interdistrict

permit

Transportation

With the approval of the Superintendent or designee, transportation normally provided for students living in the district may be provided for students attending on an interdistrict agreement when space is available and the location is within the regular school route.
